

# THE COSTS FOR FUNCTIONALITY, QUALITY & ACCURACY IN AN UNMANNED SYSTEMS TRAINING SIMULATOR NEED NOT BE EXTREME!

Nor must it come from multi-billion dollar companies to meet these critical qualities!

## It Is Here Now, and it is called “**VENOM**” The Virtual ENvironment Operations Module

- Accurately Simulates ANY Platform
- Classroom or Standalone
- Laptop or Desktop

- Instructor Station Option
- Customizable Ground Control Station
- DIS/HLA Compliant – Fully Federated
